Re: Error in Previously Submitted Revocation and New Power of Attorney
Our File 047138/257584

Dear Sir:

On February 3, 2003, we faxed the attached Revocation and New Power of Attorney document to the United States Patent and Trademark Office ("USPTO"). It was entered of record for Application Number 10/087,890. We enclose a copy of the Notice mailed to us. Unfortunately, there was a typing error on our part in the application number on the Revocation and New Power of Attorney document, and the application number should have read 10/087,809.

As you can see from our attached Revocation and New Power of Attorney, everything else on the document relates to Application No. 10/087,809, i.e., inventor Ratzlaff, filing date of March 5, 2002, Confirmation Number 2977, title "Interactive Calendar Interface for Defining and Displaying Date Ranges."

We have also enclosed a second copy of the Revocation and New Power of Attorney where I have initialed a correction to the application number. If this will not suffice to correct this typing error, then please advise.

Sincerely,

Guy R. Gosnell
